

### Who are the Critter Crew?

Drew Schulz, also known as *Drew, the One-Man Zoo*, leads a group of educational and animal professionals seeking to introduce young children to the world of reptiles, amphibians, and bugs!

We come to your location with our collection of live animals. We'll customize our presentation to meet your curriculum or special needs. All our animals are safe and friendly for young children. We have no venomous or dangerous animals. Some of our animals are native to Texas, while others are exotics from around the world.

## Contact Us!

To schedule your event, find out more about us, or get answers to your questions, call 936-828-9595. Or e-mail us at [BevSchulz@aol.com](mailto:BevSchulz@aol.com)

## Where do you go?

We are available for educational presentations in The Woodlands and surrounding areas. Our target audience includes:

- elementary classrooms
- day-care centers
- pre-schools
- museums
- homeschool groups
- scout meetings
- corporate meetings
- fund raisers
- special needs groups
- birthday parties
- WOW Science Camp

Call us for more information—we're happy to work with you to find the right program for your group.

## What do you do?

That's up to you! We can customize our presentation to adapt to your curriculum or specific needs, or you can choose from any of these presentation topics. We use our live animals with all of them. Depending on the age of your group, we'll cover scientific information about the animals at a level that's just right for you!

**Animal Homes:** A rain forest, the hot desert or the side of a riverbed. Explore the places animals live. For older children, finding where an animal lives globally will be fun too.

**My First Reptile:** Interested in a pet of your own? We'll take about great choices for young families and new pet owners. You'll learn what you'll need to make your new pet happy and comfortable, how much it will cost, and how much care they'll need. A great presentation for older children! Parents are welcome.

**Animal Coverings:** What covers you? feathers? skin? hair? scales? Come and learn about the different coverings animals have and why they don't wear clothes!

**Animal Babies:** All animals have babies. Use your imagination and play with us as we pretend to take care of baby critters and their needs.

**Animal Body Parts:** Slither, swim, climb, crawl...look at the animal body parts to discover how and why they move the way they do.

**Animal Communication:** Explore modes of communication through odors, vocalization and other behaviors and find out how animals 'talk' to each other.

**Animal Defense:** Camouflage, poison or scare tactics are just some ways animals defend themselves. Find out the differences between animals and how they survive.

**Slippery Tails or Shimmery Scales:** Pieces of a puzzle come together to find the mysteries of reptiles and amphibians. Put the pieces together in our magic box and reveal the real critters, a slithering snake or a smiling salamander! We'll talk about snake safety, too!

### What does it cost?

*Minimum charge per visit - \$60.00*

Critters—Up Close & Personal. An educational group presentation including animal safety, live animal exhibition, an opportunity to get up close and personal with several animals (touching and petting under supervision), and questions and answers (about an hour) **\$60.00**

Animal Exhibit – We bring a variety of animals in exhibit cages and provide one-to-one interaction with your group, but no group presentation is made—ideal for a fair or multi-vendor exhibit. Price varies depending on location and duration.

Photo Opportunities – We bring a professional photographer and the live animals. Children or adults have an opportunity to have their pictures taken with the animals. Adding this option on to an existing presentation or exhibition is at no extra charge.

**Photographs are \$10 each.** (5x7 inch print in a clear plastic standing frame). Photographs can include the name of your organization.

Multiple presentations and specialty programs are available. One of our team will be happy to quote you a price for the event you need! Call today for more information!
