

ARPA Fall Tour 2019 - Politically engaged Christians

Reclaiming 'Progress'

As we prepare for another federal election, we see that our political and cultural leaders increasingly want to identify as "progressive." God's good design for humanity and creation is seen as regressive and a political liability. But who decides what is progress? And what role do Christians have in such a climate? Join us on **DATE** at **VENUE**. Doors open at 7:00 pm for refreshments and registration. Presentation begins at 7:30 pm sharp.
