Please Share Your Thoughts

I'd like to invite you to share your thoughts or ask questions in the comments section at www.thescholarlyredneck.com/raise-a-musical-child. I would love to hear what you have to say.

We are considering creating a homeschool music curriculum or other types of family resources. Your input would be a great help.

More Information

www.ourmusicalhome.com This is a blog I created to encourage families and individuals to have more music in their lives. I am not actively writing for it at this time, but there is a lot of information there.

www.articlesbydeborah.com This links to articles I have written on a variety of subjects as an Ezine Articles expert author.

www.thescholarlyredneck.com This is the blog I am actively writing for. It is more general covering homesteading, homeschooling, home business, and more.
