

2014 GSLAHE Children's Program

We recommend you pre-register – we cannot guarantee a spot at the door.

This year's children's program will be fun filled – similar to last year with several guest appearances by Expo speakers.

The students and staff of Verity Institute will once again coordinate the program. The Verity team is comprised of young adults (college age and above) that have worked with children across the United States and abroad. Their veteran experience and fun loving attitude will make the St. Louis Homeschool Expo a fun and meaningful experience to all involved.
