2014 Expo Menu

This year we are excited to support the following organizations with our concession profits!

Rachel Cannon a missionary with Antioch Center for Training and Sending School of Frontier Missions, and she is moving to the Middle East for 2 years to partner with local leaders and churches to contend for a great harvest of souls, make disciples, and plant worship-based house churches.

Burkina Faso Outreach (BFOAfrica.org) is a non-profit Christian organization founded by Lynn Peters (St. Louis). The organization was created to share the gospel and care for orphans and widows through Education and a Child Sponsorship Program in a small land locked country called Burkina Faso.
