COMMITTEE REPORTS:

- **Wisconsin Conservation Congress** –
 - Mark –
 - Attended the Rules and Regulations for the Congress on 9/14. What does Youth mean?: 18 years or younger of age OR in high school. Developing outline for grievance process, and Article 17.0 deals with state statutes put in the Congress to follow protocol.
 - Congress is looking at online voting as there is disenfranchisement of working people who can't make the hearings.
 - Muskies are being stocked in Pewaukee and Okauchee Lakes. DNR is stocking northern in Pewaukee Lake; walleyes elsewhere.
 - Tom –
 - The trout resolution regarding bait, keeping fish and opening bodies of water has been rejected as there are four resolutions in one.
 - Al –

- Between 2005 and 2010, it's estimated 25 times more caught and released than kept. There are more muskies in Pewaukee than anywhere in the state. As a note, walleyes are stocked to prey on the perch.
- **Banquet** –
 - We need an inside track on advertising to get the message out.
 - How do you get more people to come? Do you give away tables?
 - Tickets and the flyer will be printed. Tickets will be \$50.
- **Kids Fishing Clinic** –
 - Waukesha County parks, the reservations are in. Which clubs are returning?

OLD BUSINESS:

- **Brookfield Central Trap Shooting Team** – They are looking for donations towards a shooting simulator. The cost is significant and we have tabled any donations at this time. We have determined that qualifiers on donations are needed, such as total cost, use and other donors.
- **Meetings** – Please consider having your club host a meeting. There are 16 clubs represented in the WCCA; the 2016 meetings have been accounted for, but look towards 2017.
- **Business Memberships** – A business membership is \$25 and an advertisement will be placed in the meeting minutes. All business memberships need to be confirmed.
- **Website** – Send your club information to AI to be placed on the WCCA website. Even if you don't have a website, your information: meeting date/time and club location, can be visible through the WCCA's website.
