DOWNTOWN WAUPUN FARMERS MARKET
Policies and Guidelines
2017 Season: June 3 – September 30

The **Downtown Waupun Farmers Market** (Market) is organized through the **Waupun Area Chamber of Commerce** (Chamber). Throughout the season the operation of the Farmers Market is assisted by various volunteers from an informal group known as the **Waupun Downtown Promotions Committee** (DPC). The intent of the Market is to bring fresh products and associated crafts to the people in the area via small producers, backyard gardeners, hobby farmers, local garden and nature artisans as well as crafters who sell their products through a home-based business. The policies and guidelines contained within this document are designed to meet state and local regulations for direct-market sales, and to assure buyers the highest quality of local produce and other products. Contact the Chamber office at 920-324-3491 or DPC at 920-319-6728 for more information on types of items that qualify to be sold at the market.

MARKET ORGANIZATION

The Market Committee is responsible for the operation of the Downtown Waupun Farmers Market, and reserves the right to refuse the sale of any item not in compliance with the State of Wisconsin or Market Policies and Guidelines as set forth by the Market Committee.

SELLERS: Sellers are approved to participate by the Market Committee through an application procedure.

MARKET COMMITTEE: The Market Committee and its volunteers oversee the routine operation of the Market and has the authority to enforce all Policies and Guidelines.

MARKET HOURS

The Market will be held every Saturday from June 3 through September 30, from 8 a.m. to 12 noon. Vendors should arrive and be set up and ready to sell by 8 a.m.

Markets will be held rain or shine unless there is a Tornado Warning or Tornado Watch in effect. In the event of rain or severe weather, fees will not be reimbursed to season or weekly pass vendors.

GENERAL POLICIES

The Market is designed as an outlet for fruits, vegetables, eggs, pre-packaged honey and maple syrup and related items, jams and jellies, baked goods, cheese products, meat, fish, pork, bison, poultry and emu. Also included are flowers, plants, herbs, seeds, and garden and nature related crafts and other items. In addition, crafts, jewelry, soaps and other items may also be permitted based upon review by the Market Committee.

All vendors will carry appropriate licensing and vendors will prominently display a copy of their license at the Market. If you have questions on licensing and requirements, contact Fond du Lac County Health Inspector at 1-800-547-3640.

Pets are discouraged unless needed for vision impairment or other disability. Animal waste must be removed from the site.

Occupants of vendor areas/stalls must keep their sales area clean and will be responsible for cleaning up their area after each day's sale. Trash containers on the Market grounds are intended primarily for use by customers, and should not be used for waste from vendor areas/stalls. Leaving vendor areas with litter, trash

or unsold product will be evidence of abuse of Market privileges and may result in the individual being fined or barred from further use of the Market.

No loud generators will be allowed on site. There are a limited number of electrical outlets available for use.

Non-profit or charitable organizations may be allowed to conduct fundraising events with prior permission of the Market Committee. Groups wishing to sell brats, hamburgers, etc. more than two times per season will need to obtain the proper permits from Fond du Lac County Health Department. The appropriate form can be downloaded from their website.

VENDOR GUIDELINES

For a fee of \$35 per season, vendors will be able to rent a 10' x 10' stall. For an additional \$15 (\$50 total per season) vendors may utilize a 10' x 20' stall. If the market closes for the day or any part thereof due to inclement weather, no refunds will be issued.

All vendor possessions must be kept within the rented confines. Vendors must furnish their own tables and chairs, or use the back of their vehicles.

Assignment of stalls will be on a first-come, first-serve basis each week. The only exception will be vendors requiring power, who will receive stalls closest to the power source.

MARKET CONDUCT

Treat everyone in a respectful and courteous manner. Refrain from using profanity. Appropriate dress is also expected of vendors.

ENFORCEMENT

The Market Committee reserves the right to require the removal of any customer, vendor, animal, signage or product that it deems dangerous, disruptive or considered offensive.

The Market Committee reserves the right to sanction any participants that violate or ignore Market rules not otherwise stated.

Any participant that is warned of a violation or sanctioned may have 30 days to appeal to the entire board for reconsideration. Any appeal will not necessarily postpone said sanction.

The Market Committee will handle any problems related to the administration of these rules. The Board of Directors of the Waupun Area Chamber of Commerce, whose decision shall be binding on all parties, will make final decisions.

POTENTIALLY HAZARDOUS FOODS

The Market allows the following items as long as the vendor is able to provide the necessary license(s) to the Market Committee. For information on the pertinent State regulations, contact the Wisconsin Department of Agriculture, Trade and Consumer Protection. Our rules for licensing concur with State regulations. These rules are subject to change whenever the state regulations change.

The named ingredient in the title must be grown by or collected by the vendor. Vendor can apply to the Market Committee for an exception to this rule. All other Market criteria apply.
4. **Baked goods** must be a product of the vendor. The baked goods must be pre-portioned and pre-packaged or displayed under a rigid hinged plastic cover (cellophane or plastic wrap is not acceptable) and dispensed according to Health Department standards. All baked goods must be labeled with the name of the product, its weight and the name and address of the baker.
5. **Licensing.** Any vendor selling baked or canned goods must have a copy of their State Food Processing License on file with the Market Committee and must have the original or copy at the Market.
6. **Other products** not discussed above must be approved by the Market Committee.
