Rules Specific to the Pinzgauer Show

1. All entries must be registered with The American Pinzgauer Association of Kingsville, Texas (APA). An original registration certificate (no copies) must be presented at the time of check in. In conjunction with the Breed Standards listed on the APA website, all entries in the regular show must be purebred or fullblood Pinzgauer, (this includes both cow & calf in the cow/calf classes), must be red or black and solid-faced, have a white underbelly, and a predominately white tail, and have a legible tattoo that matches its registration certificate. Tattoos will be checked and verified by a Pinzgauer official and/or World Beef Expo superintendent at the show. All entries will be subject to sifting for correctness or papers and suitability to show. Animals with a frame score of three (3) or less may be disqualified.
2. Animals will enter the show ring in ascending order according to age, youngest to oldest.
3. Show management reserves the right to split or combine classes as necessary.
4. All bulls twelve (12) months of age or older must have a nose ring or nose lead when out of the stall.
5. In the cow/calf class, the calf may not be more than 240 days of age when shown. Calves more than 120 days old must be registered. The calf must be the cow's most recent natural calf, and the cow must be lactating.
6. Surgical or non-surgical alteration of an animal is prohibited, with the exception of dehorning. Cattle are to be shown in their natural conformation and color.
7. Tails are not to be balled for the show. No artificial filling with liquids, air or any other substance is allowed.
8. Entries in classes 17-19 must be accompanied by a certificate of pregnancy signed by a licensed veterinarian.
9. Entries in classes 32-37 must be accompanied by a satisfactory semen evaluation signed by a licensed veterinarian if offered for sale at World Beef Expo.
10. Special class: Premier Sire. To qualify, a minimum of three (3) offspring of the bull must be shown, with both sexes represented. There is no requirement regarding who owns the bull. The award will be calculated based on the six highest ranking animals sired by each eligible bull.
11. Additional Class: Low Percentage cattle can show with any color pattern as long as at least one parent has Pinzgauer heritage. Animal must still be registered with The American Pinzgauer Association of Kingsville, Texas (APA).
