Schedule is subject to change.

ENTRY FEES AND DEADLINES

Early Entry Deadline	August 15, 2020	\$60 per head
Entry Deadline	September 1, 2020	\$80 per head
Late Entry	After September 1, 2020	\$100 per head

Entry fees include bedding and tie-out space. Bedding will be available upon arrival at World Beef Expo. Exhibitors are responsible for their own bedding for tie-outs.

All exhibitors are expected to familiarize themselves with the General Rules & Regulations.

Rules have been revised for the 2020 World Beef Expo.

Rules Specific to the South Devon Cattle Shows

- Each individual breed will have its own individual show.** All Open Show breeds, regardless of the number of entries, will show individually and recognize their own champions.
- Fewer than ten entries:** Any breed show with fewer than ten paid entries will have its champion(s) eligible for Any Other Breed (AOB) champion. The AOB champion in each division – heifer, bull, cow/calf pair – will then qualify for the Supreme Champion Drive.
Ten or more entries: Any breed show with ten or more paid entries will have its champion(s) automatically eligible for the Supreme Champion Drive.
See Rule 12 in the World Beef Expo General Rules & Regulations for more details.
- Each animal being shown must be registered with the appropriate breed organization, and the original registration certificate must be made available for inspection. Each animal must have a legible tattoo that corresponds with its registration certificate.
- Animals must be fitted in an ethical manner. Unethical fitting is grounds for disqualification. Unethical fitting includes, but is not limited to, the following:
 - Altering the natural color of the animal through the use of dyes, paints, hair-coloring conditioners, colored show foam, graphite, colored powders, or any other substances.
 - The addition of any hair or hair-like substance, including false tail heads and false polls. False tail switches are allowed.
 - The cutting, tearing, or gluing of the hide or beneath the hide, or removal of tissue, in an attempt to alter the shape of the animal.
 - The injection of any gas, solid, or liquid under the hide to alter the natural conformation.
 - Any attempts to disrupt or change the normal dental development of the animal.
 - Any products/solutions/liquids administered internally or externally to alter the conformation of the animal. This includes the use of steroids, growth stimulants, and the act of artificially filling animals internally – which includes stomach pumping, drench tubes, or any other method per os (by esophagus).
EXCEPTIONS: In the case of severely sick or dehydrated animals, the exhibitor may have fluids and/or electrolytes administered by the licensed official World Beef Expo veterinarian with the approval of the show management.

5. Each individual breed show is subject to the rules and regulations of a state and/or national breed association to which the breed and its exhibitors belong.
6. World Beef Expo reserves the right to split or combine classes as necessary.
