Rules Specific to the American Galloway Show

1. **Registration.** Animals must be registered in the American Galloway Breeders Association or the Canadian Galloway Association. Animals must be properly marked, in good physical condition, and typical of the breed in conformation. Good physical condition shall include, but not be limited to, the absence of any infectious condition such as ringworm or warts.
2. **Papers and Tattoos.** Original registration papers will be required to check in at World Beef Expo. A superintendent or breed representative must be able to identify a match between the animal's tattoo(s) and the registration papers. Animals without a visible tattoo or with a tattoo that does not match the corresponding registration paper will not be allowed to show.
3. **Nose Rings.** All bulls twelve (12) months of age or older are required to have a nose ring and must have a lead attached to the ring whenever being led.
4. **Animal Security.** Unattended animals must be double-tied with halters, neck ropes, or two halters/two neck ropes.
5. **Class Size.** The Show Committee reserves the right to split or combine classes as they find appropriate.
6. **Staging Area.** Exhibitors are expected to have entries in the show staging area before their class is called. Animals who do not enter the show ring within three minutes of the announcer's final call forfeit the right to compete in that class.
7. **Unethical Fitting.** The Show Committee reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include, but not be limited to: Any injections of gas, solid, or liquid under the skin to alter conformation; any additions of artificial tail heads or polls; surgical alteration of the animal's shape; dyeing or coloring which alters the animal's natural color pattern. Artificially filling animals internally (pumping) is strictly prohibited.
8. **Protests.** Decisions of the judge(s) are final, except where mistake, fraud, or misrepresentation is proven. Protests must be submitted in writing following World Beef Expo protest guidelines as identified in the General Rules & Regulations.
9. **Interference with Judge.** Interference with or disrespect to the judge(s) by any exhibitor during the performance of his/her duties shall be deemed grounds for immediate disqualification and subject to further sanctions, as detailed in the World Beef Expo General Rules & Regulations.

10. **Qualification of Bulls.** In order to compete in bull classes, each bull must have two visible and descended testicles. No cryptorchids will be allowed to compete.

11. **Exhibitor Compliance.** Exhibitors are expected to comply with all rules and regulations of the American Galloway Breeders Association or the Canadian Galloway Association and of World Beef Expo, or be subject to the consequences as identified in those rules and regulations.
