What a joy to be a member of the **Exchange Club of Sugar Land**. If you missed last Wednesday's 20th Anniversary Celebration, you missed a wonderful meeting. **Al McDonald** and his committee did a great job of planning and executing the program. With help from **Bob Hargather, Jenn and Michael Cole, Brenda Robinson, Ray Wathen, Nora Sim, Jeri Krauss** and many others the morning was entertaining and inspirational.

It was great to see past club members and potential new members attending. I believe we received seven new member applications after the meeting. My goal is to continue to inspire all our members to serve this City of Sugar Land/ Ft. Bend County area as we have for the previous 20 years.

Last month we had a wonderful thanksgiving celebration with all the seniors at the Fifth Street Community Center. I hope all of you will make plans to attend one of these events which happens the first Friday of each month. They are fun and the seniors really enjoy having Exchangites there. The Christmas party for the Seniors is this Friday, December 7, 2007, 11:00 at 10435 Greensborough Drive Stafford.. **Mary Jo Salvaggio** is the coordinator and she is doing a great job.

As all of you know, December 15th is Santa's Exchange day. **Reagan and Brian Walters** have been working tirelessly to make it a success. I expect every member to participate in this holiday event.

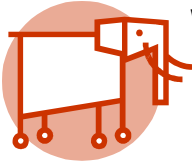

Clark

Please note: We will NOT have a meeting Wednesday, December 26th, but we WILL have a meeting January 2, 2008

Members of the Sugar Land Exchange club attended a dedication of a new Freedom Shrine at Meadows Elementary on November 15th. The Students, under the direction of Assistant principal, Beth Davis, put on a very patriotic program. There were ten students who displayed plaques and gave a brief description of the significance of each document.

The ceremony included recognition of all Veterans who have served our country. President Clark Walter presented the dedication plaque to Irma Cobos, Principal of Meadows Elementary school. Naren Patel gave the dedication address to the assembly of students, teachers, and parents and fellow Exchangers in attendance.
