Guest Speaker, Uzo Ogu, had every-one stand for a "pull my finger" ice-breaker before her talk on DECA. DECA stands for Distributive Education Clubs of America. DECA raised and presented \$427,000 to the Muscular Dystrophy telethon this year.

DECA is an international association of high school and college students studying marketing, management and entrepreneurship in business, finance, hospitality and marketing sales and service. <http://www.DECA.org>

Linda Schoonmaker, Brenda Pullen, Jeri Krauss and Chris McClendon had fun trying to grab each other's fingers while trying to pull away at the same time. She definitely got our attention!
