Spaghetti Cook-off Friday, February 19

Past Presidents John Braswell, Scott McClintic, Clark Walter and Jerry Hurst told amusing anecdotes of "Spaghetti's Past."

President's Remarks

February is here, and it's Spaghetti Month! I hope each of you will work very hard to do your individual part to support this once-a-year, all-hands-on-deck event. In a large club such as ours, it's sometimes easy to be complacent and simply know that "someone" will get it done. However, with Spaghetti, every individual is needed to make this event a success. Just showing up and "socializing" at the event is not enough. Uncle Doug (Earle) needs YOU, and he needs you now!

Have you heard the parable of four people named Everybody, Somebody, Anybody, and Nobody?

"Everybody, Somebody, Anybody, and Nobody"

There was an important job to be done, and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought that Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

Isn't it good to know that we don't have to worry about those guys? Why? Because we are Exchangites, and we consistently do what needs to be done to help our community.

Betty Baitland,
President
