## Home of Hope-Texas

**Human Trafficking is Modern-Day Slavery**

**Help us build a Home of Hope for victims of human trafficking.**

Prostitution, strippers, illegal immigrants, runaway youth, domestic servants, migrant workers and young girls may be victims of human trafficking.  
Trafficking in persons, especially women and children, for the purpose of sexual exploitation is quickly becoming the world's fastest growing industry and most profitable criminal activity.  
The U.S. State Department estimates that as many as 18,500 men, women and children are trafficked into the United States each year, many for sexual exploitation. Twenty percent of these are found in Texas.
