## Child Abuse Prevention

**District Attorney John Healy** spoke to members about his partnership with, CASA, CAC, CFPS, case workers, counselors and police to help stop child abuse. The new **Child Advocates of Fort Bend** building, 5403 Avenue N, Rosenberg, TX houses all of the above agencies who collaborate in providing a voice for abused and neglected children, healing the hurt and stopping the cycle of abuse. [www.cafb.org](http://www.cafb.org)

Please join us for a tour of the building this **Thursday, October 18th at 6:00 pm** and hear how this amazing partnership works. The tour will be followed by wine and appetizers provided by the ECSL Child Abuse Prevention Committee.
