President's message:

I joined ECSL in May of 2008. It seemed a natural step on a personal journey that began back in 2005, at that time I was going dissatisfied with where my life was heading. I was in need of change and it boiled down to Selfishness. Along with immersing myself in church, I believe ECSL has been one of the best opportunities I have ever taken advantage of. I have been so grateful to have been mentored by so many. This is truly an extended family.

So what are my goals as president of the largest club in TEXAS and the fifth largest Exchange clubs in the United States?

1. Make Exchange Club Fun
2. Build the membership by appealing to younger audiences
3. Increase average attendance at meetings
4. Finalize our partnership with Toys for Tots
5. Receive National Recognition through National Service Award and Big "E" Award

My theme this year is, "Show Up." I want to personally encourage everyone to make an effort to be here each week, and share with others that that you miss them when you don't see them. It is human nature, if you don't think you will be missed then you are more likely to not attend. I have learned after twenty-four years of marriage that we have to be deliberate in our relationships. Exchange is no exception; we must demonstrate love and reach out to one other. I know these are lofty goals considering all this Exchange Club has accomplished but, together we can make this the best year ever.
