ECSL President Rod, The Story-teller White, was recognized for his mastery of inviting new guests and increasing our membership.

The Fort Bend CORPS is a 501(c)(3) non-profit corporation located in Fort Bend County. Established in 1999, the Fort Bend CORPS has completed repairs on hundreds of homes in Fort Bend County.

All repairs are provided free of charge and with no obligation. This assistance is made possible by grants, monetary donations and in-kind donations, as well as the unselfish and tireless work of hundreds of volunteers.

Fort Bend Corps has been helping low-income, elderly and disabled residents in the area by making the most needed repairs to their homes for free for nearly 17 years.

Those dire needs could include making a house handicap-accessible, replacing a roof or building an entirely new home, Fort Bend Corps Executive Director Ron Castillo said.

“These are professional tradesmen, professional contractors [working on homes], so you’re getting work done from good quality, experienced contractors that know the business,” Castillo said. “We demand good quality work. That’s only fair to our clients.”
