Speaker of the week!

09/25/2019

Our speaker for the week was our very own Stuart Jacobson, who was past President of Exchange Club of Sugar Land in 2001/2002. Stuart was presented by Farha Ahmed! He talked with us about City Council and the Bond election coming up and how important it is to vote. He also talked about "roundabouts" at street intersections and how they are 70% more expensive than a regular intersection. These do have statistical information the less wrecks happen with a "roundabout" And over 30-40 years they actually cost less in the long run!

Young Citizen of the Month!

Meet... Ashley Hatch from Sugar Land Middle School. She was presented to us by Cookie Joe!
