Fellow Exchangites:

A new year is upon us! I hope that each of you are enjoying a happy, healthy and prosperous new year. As your president, I must admit that I truly miss all of you and I will be happy when the holidays are over and we can continue on our mission of making our communities better places to live.

Speaking of making our communities better places to live, I want to thank all of you for the magnificent efforts you displayed at our Santa's Exchange event held on December 14, 2019. Because of you, there were some 3800 kids who woke on Christmas morning to a joyous celebration rather than the bleak circumstances they would have otherwise experienced. I want to say again , **"Thank you for a Job Well Done"**.

As we move into the new year, I am reminded of the words of our immediate past President, David Lanagan, **"the time goes by really fast, and there is never enough time to do all the things you want to do"**

Well, David was correct, time is passing really fast and I really want to complete all of the things I set out to do. But I need your **Help**. So, please join me in making the second half of my administration the best it can be ! Please challenge me to do all of the things I should be doing. **Get involved**, this is your club too. Please do not forget to join any of the committees in the club, or you can join as many as you like.

Join me in making a New Year's Resolution to make Exchange a top priority for the upcoming year. All the while, keeping in mind that if we **"Imagine the Possibilities"**, we can turn those imaginations into realities!

"HAPPY NEW YEAR!"
