Dear Exchange Members,

During our breakfast meeting on July 20th., we were very fortunate to honor **Chief Eric Robins recent retirement**. Michelle Allen, Joe Zimmerman, and Jacey Jetton all spoke about Chief Robins' 30-year tenure on the Sugar Land Police force. Jacey presented Chief Robins with a **Resolution from the Great State of Texas!** The finale for the celebration for Chief Robins was a dance performed by **"Ballet Grace"** of Cookie Joe's Dancin' School.

I would like to add a **"BIG"** thank you to **Suzanne Whatley and Cookie Joe for planning this wonderful Celebration!**

Lori Bisewski— President of ECSL

Speaker Series!

**Ray Cordes, Fredy Batres, Lori Bisewski-
President of ECSL.**

On July 27th we had one of our own Exchange Members, Roy Cordes, along with Fredy Batres, Regional Manager at the Alzheimer's Association, speak on behalf of the Alzheimer's Association.

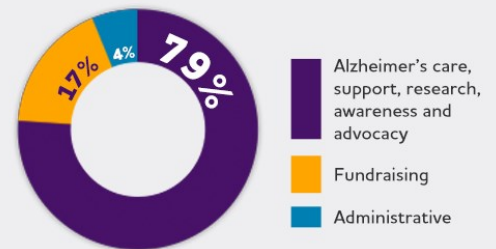

It was an extremely informative presentation with a lot of resources one can go to when dealing with Dementia and Alzheimer's. Many of us know a family dealing with this disease or even someone in your own family may have it. Following are three great resources, where you can pass it on to families that may need help with their loved ones struck down by this disease:

-24/7 Helpline - 800-272-3900, a live care professional will answer.

-Free Education -www.alz.org/help-support/resources/care-education-resources, offered virtually and in person.

-Community Service Finder— www.communityresourcefinder.org, helps to find local resources.

"The Alzheimer's Association national organization meets or exceeds relevant watchdog standards in its allocation of donor dollars. According to the BBB Wise Giving Alliance, non-profit organizations should spend at least 65% of its total expenses on program activities, with remaining funds going to administrative and fundraising expenses."
