The Watermark

Please join Discover Dodge Tourism

For a Mix 'N Mingle Celebration

Tuesday October 11th at the Watermark in Beaver Dam

Tourism is a booming business and the philosophy of Dodge County Tourism is to continually promote and invite folks to come explore, escape and enjoy the 882 square miles of excitement Dodge County has to offer for every season! There is something here for everyone!

Tuesday October 11th Discover Dodge Tourism will host the 1st of many Mix 'N Mingle celebrations throughout the county highlighting the significance of becoming a member of Discover Dodge Tourism. The historical heritage of "small town" charm and year round recreational activities provides the right recipe to live, work, play and shop in Dodge County, and we want to help you promote your business, parks, attractions, festival and incredible food all year round.

This event will feature local and area foods and refreshments plus an opportunity to network with other like minded folks who love Dodge County Wisconsin.

****We welcome everyone to showcase their business. If you are interested in having a table @ this event (it's free) to display & promote your business, please contact Diana Ogle @ 920-382-6453**

Join in the fun and fellowship and see why being a member of Dodge County Tourism is just plain fun!!!

Date: Tuesday October 11th

Time: 5p - 7p
