MISSION STATEMENT

The Mission of the Mayville Police Department is to provide professional and ethical services and work cooperatively with the community to enforce the laws, preserve the peace, reduce the fear of crime and provide for a safe environment.

LAW ENFORCEMENT CODE OF ETHICS

AS A LAW ENFORCEMENT OFFICER, my fundamental duty is to serve mankind; to safeguard lives and property; to protect the innocent against deception and the weak against violence or disorder and to respect the Constitutional rights of all men to liberty, equality and justice.

I WILL keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint and be constantly mindful of the others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I WILL never act officially or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I RECOGNIZE the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself to my chosen profession...LAW ENFORCEMENT.

TRAINING

The goal of the Mayville Police Department is to deliver the highest quality of service to the citizens of Mayville. To achieve this, our personnel must be up-to-date on changing legislation, court decisions, law enforcement techniques and technology.

With an ongoing concern over violence in our nations schools, the Mayville Police Department hosted an active shooter training course for law enforcement agencies throughout the county. It was a refresher course for most attendees and the first time for some officers.

The purpose of this course was to bridge the gap between responding officers in active shooter situations. It was designed to provide law enforcement officers with the necessary skills and mindset to properly handle armed school intruders.

The training was part of the County-wide School Emergency Response Planning that has been working parallel with the Safe Schools/Healthy Students efforts.

Thirty eight officers from twelve different agencies, including Mayville's Tactical EMT's, participated in the Response to Active Shooter training.

NATIONAL NIGHT OUT

On Tuesday, August 7th 2012, the City of Mayville celebrated National Night Out at the Mayville Police Department. The event is designed to heighten crime and drug awareness and strengthen police-community relationships.

The Mayville Police Department building was open for public tours and provided safety Materials to citizens. Officers along with citizen volunteers staffed booths including:

- Child ID Kits
- Bicycle Rodeo
- Dunk Tank
- Medication Disposal
- Tours of Vehicles

Several Agencies also participated in the program

- Mayville Police Department
- Mayville EMS
- Mayville Fire Department
- Dodge County Sheriff's Department
- Wisconsin State Patrol

NATIONAL NIGHT OUT

Children tested their skills on our obstacle course and received free bicycle registration. Bicycle safety helmets were also provided to those children who did not have them.

The Lions Club sold food and drinks during the event to help raise money for their organization.

While enjoying a bite to eat, citizens were able to view most of the events from the picnic tables.

The Fire Department allowed citizens to try their hand at operating a hand nozzle and putting out a simulated fire.

The Dodge County Sheriff's Department K9 unit was on hand to answer questions and demonstrate the abilities of the K9.

State Patrol brought their motorcycle unit.

TRAFFIC ENFORCEMENT

SAFETY CAMPAIGNS

Each year, the Mayville Police Department participates in several Traffic Safety Campaigns in order to educate the public and reduce fatalities on Wisconsin Roads.

Click It or Ticket

Officers enforce Wisconsin's mandatory seat belt law in an effort to convince everyone to buckle up voluntarily so that eventually we can reduce the number of preventable traffic deaths to zero in Wisconsin.

Drive Sober or Get Pulled Over

Officers were out in force along with agencies across the Nation to crackdown on drunk drivers. The object was to deter people from getting behind the wheel when they were not sober.

GRANTS & PROGRAMS

A \$4,000 grant from the D.O.T. allowed the police department to purchase a solar powered radar display sign that will help alert drivers to the actual speed limit. The bright LED display will get the attention of drivers.

A grant from the Office of Justice Assistance provided the police department will the ability to upgrade three(3) portable radios and purchase an additional mobile squad radio in an effort to increase communication interoperability between agencies throughout the state.

The Wisconsin Crime Alert Program through the Wisconsin Department of Justice, allows police to notify local participating businesses and citizens of criminal behavior that may affect their business or neighborhood. Registered users have the option of the type of notification they wish to receive and each notification is tailored to the specific business type or neighborhood to prevent users from receiving alerts that are not pertinent to them.

Administrative Assistant Marjean Sertich was instrumental in starting this program.

GRANTS & PROGRAMS

Each year the Mayville Police Department provides an internship to a Criminal Justice student attending Marian University. In 2012, Emily Reiter interned with the police department for the fall semester.

PROGRAMS & PARTNERSHIPS

The Mayville Police Department is about building relationships. We continue to build and strengthen our relationships with the community through programs meant to foster the idea of helping others.

POLICE YOUTH DANCES

In 2012, the Police Department held eight dances at the Pavilion for local teens. The dances provide a safe environment for children to go and have fun with a DJ and concessions. Each dance is chaperoned by police staff and the proceeds go towards the departments K9 program.

POLICE INTERNSHIP

The Mayville Police Department has partnered with Marian University in Fond Du Lac to provide internships to students completing a degree in criminal justice. The internship is a volunteer position and provides students with knowledge and experience in the field of law enforcement.

HUNTER'S SITE-IN CLINIC

Each November, the Mayville Police Department opens its firearms range to the public to allow hunters a safe environment to site in their rifles prior to deer season. A police firearm instructor is always on hand to ensure safe operation, provide guidance and instruction to those that may need it.

SHOP WITH COPS

The Mayville Police Department continues to be a proud member of the Shop with Cops organization that is designed to help effect a beneficial change in our youth by teaching respect, building trust and friendship, and instilling values.
