

The Village's snow plan is designed with residents in mind, with a focus on making roads available for safe travel during and after a snowfall. It is the priority of the Village to remove snow from all major streets and courts, however, when a major or prolonged snow event occurs, the Village does have a Snow Removal policy in place.

Please refer to the Snow Removal Policy and Procedure available on the website.

Comments or concerns can be directed to the Village President or the Chair of Buildings and Grounds committee.

President: Gary Nickerson           414.791.7918  
Chair B&G: Dave Stellpflug       414.406.6742 (message says ED)

Please utilize caution when driving during the winter months as road conditions can change quickly. Drive slowly and allow adequate stopping distance to ensure safety.
