Sec. 2-134. Public access records.

- (a) Except as provided in section 2-136, any person has a right to inspect a record and to make or receive a copy of any record as provided in s. 19.35(1), Wis. Stats.
- (b) Records will be available for inspection and copying during all regular office hours.
- (c) If regular office hours are not maintained at the location where records are kept, the records will be available for inspection and copying upon at least 48 hours' advance notice of intent to inspect or copy.
- (d) A requester shall be permitted to use facilities comparable to those available to village employees to inspect, copy or abstract a record. All copies requested shall be provided by the clerk-treasurer.
- (e) The legal custodian may require supervision during inspection or may impose other reasonable restrictions on the manner of access to an original record if the record is irreplaceable or easily damaged.
- (f) A requester shall be charged a fee to defray the cost of locating and copying records as follows:
 - (1) The cost of photocopying shall be \$1.00 per page. Such cost has been calculated not to exceed the actual, necessary and direct cost of reproduction.
 - (2) If the form of a written record does not permit copying, the actual and necessary costs of photographing and photographic processing shall be charged.
 - (3) The actual full costs of providing a copy of other records not in printed form on paper, such as films, computer printouts and audiotapes or videotapes, shall be charged.
 - (4) If mailing or shipping is necessary, the actual costs thereof shall also be charged.
 - (5) There shall be no charge for locating a record unless the actual costs therefor exceeds \$50.00, in which case the actual costs shall be determined by the legal custodian and billed to the requester.
 - (6) The legal custodian shall estimate the cost of all applicable fees and may require a cash deposit adequate to ensure payment, if such estimate exceeds \$5.00.
 - (7) Elected and appointed officials of the village shall not be required to pay for public records they may reasonably require for the proper performance of their official duties.
 - (8) The legal custodian may provide copies of a record without charge or at a reduced charge where he or she determines that waiver or reduction of the fee is in the public interest.
- (g) Pursuant to s. 19.34, Wis. Stats., and the guidelines therein listed, each authority shall adopt, prominently display and make available for inspection and copying at its offices, for the guidance of the public, a notice containing a description of its organization and the established times and places at which, the legal custodian from whom and the methods whereby the public may obtain information and access to records in its custody, make requests for records or obtain copies of records, and the costs thereof. Each authority shall also

prominently display at its offices, for the guidance of the public, a copy of ss. 19.31--19.39, Wis. Stats., and sections 2-134 through 2-136. This subsection does not apply to members of the village board.
(Ord. No. 262, § 4, 12-9-1982)

Sec. 2-135. Access procedures.

(a) A request to inspect or copy a record shall be made to the legal custodian. A request shall be deemed sufficient if it reasonably describes the requested record or the information requested. However, a request for a record without a reasonable limitation as to the subject matter or length of time represented by the record does not constitute a sufficient request. A request may be made orally, but a request must be in writing before an action to enforce the request is commenced under s. 19.37, Wis. Stats. Except as provided in this section, no request may be refused because the person making the request is unwilling to be identified or to the state the purpose of the request. No request may be refused because the request is received by mail, unless prepayment of a fee is required under subsection 2-134(f)(6). A requestor may be required to show acceptable identification whenever the requested record is kept at a private residence or whenever security reasons or federal law or regulations so require.

(b) Each custodian, upon request for any record, shall, as soon as practicable and without delay, either fill the request or notify the requestor of the authority's determination to deny the request in whole or in part and the reasons therefor. If the legal custodian, after conferring with the village attorney, determines that a written request is so general as to be unduly time consuming, the party making the request may first be required to itemize his request in a manner which would permit reasonable compliance.

(c) A request for a record may be denied as provided in section 2-136. If a request is made orally, the request may be denied orally unless a demand for a written statement of the reasons denying the request is made by the requestor within five business days of the oral denial. If a written request is denied in whole or in part, the requestor shall receive a written statement of the reasons for denying the request. Every written denial of a request shall inform the requestor that if the request for the record was made in writing, then the determination is subject to review upon petition for a writ of mandamus under s. 19.37(1), Wis. Stats., or upon application to the attorney general or a district attorney.
(Ord. No. 262, § 5, 12-9-1982)

Sec. 2-136. Limitations upon access and withholding.

(a) *Application of other laws.* Any record which is specifically exempted from disclosure by state or federal law or authorized to be exempted from disclosure by state law is exempt from disclosure except that any portion of that record which contains public information is open to public inspection as provided in subsection (f) of this section.

(b) *Law enforcement records.* Except as otherwise provided by law, whenever federal law or regulations require or as a condition to receipt of aids require that any record relating to investigative information obtained for law enforcement purposes be withheld from public access, then that information is exempt from disclosure.

(c) *Contractors' records.* Each authority shall make available for inspection and copying any record produced or collected under a contract entered into by the authority with a person other than an authority to the same extent as if the record were maintained by the authority. This subsection does not apply to the inspection or copying of a record under s. 19.35(1)(am), Wis. Stats.

(d) *Computer programs and data.* A computer program, as defined in s. 22.03(4)(c), Wis. Stats., is

not subject to examination or copying, but the material used as input for a computer program or the material produced as a product of the computer program is subject to the right of examination and copying, except as otherwise provided in s. 19.35, Wis. Stats., or this section.

(e) *Trade secrets.* An authority may withhold access to any record or portion of a record containing information qualifying as a trade secret as defined in s. 134.90(1)(c), Wis. Stats.

(f) *Separation of information.* If a record contains information that is subject to disclosure and information that is not subject to such disclosure, the authority having custody of the record shall provide the information that is subject to disclosure and delete the information that is not subject to disclosure from the record before release.

(g) *Identities of law enforcement informants.*

(1) In this subsection:

a. The term "informant" means an individual who requests confidentiality from a law enforcement agency in conjunction with providing information to that agency or, pursuant to an express promise of confidentiality by a law enforcement agency or under circumstances in which a promise of confidentiality would reasonably be implied, provides information to a law enforcement agency, or is working with a law enforcement agency to obtain information, related in any case to any of the following:

1. Another person who the individual or the law enforcement agency suspects has violated, is violating or will violate a federal law, a law of any state or an ordinance.
2. Past, present or future activities that the individual or law enforcement agency believes may violate a federal law, a law of any state or an ordinance.

b. The term "law enforcement agency" has the meaning given in s. 165.83(1)(b), Wis. Stats., and includes the department of corrections.

(2) If an authority that is a law enforcement agency receives a request to inspect or copy a record or portion of a record that contains specific information including but not limited to a name, address, telephone number, voice recording or handwriting sample which, if disclosed, would identify an informant, the authority shall delete the portion of the record in which the information is contained or, if no portion of the record can be inspected or copied without identifying the informant, shall withhold the record unless the legal custodian of the record makes a determination, at the time that the request is made, that the public interest in allowing a person to inspect, copy or receive a copy of such identifying information outweighs the harm done to the public interest by providing such access.

(Ord. No. 262, § 6, 12-9-1982)

Sec. 2-137. Destruction of records.

(a) Village officers may destroy the following nonutility financial records of which they are the legal custodians and which are considered obsolete, after completion of any required audit by the bureau of municipal audit or an auditor licensed under ch. 442, Wis. Stats., but not less than seven years after payment or receipt of any sum involved in the particular transaction, unless a shorter period has been fixed by the state

public records board pursuant to s. 16.61(3)(e), Wis. Stats., and then after such shorter period:

- (2) Canceled checks;
- (3) Receipt forms;

(b) Village officers may destroy the following utility records of which they are legal custodians and which are considered obsolete after completion of any required audit by the bureau of municipal audit or an auditor licensed under ch. 442, Wis. Stats., subject to state public service commission regulations, but not less than seven years after the record was effective unless a shorter period has been fixed by the state public records board pursuant to s. 16.61(3)(e), Wis. Stats., and then after such a shorter period, except that water stubs, receipts of current billings and customers' ledgers may be destroyed after two years.

- (1) Contracts;
- (2) Excavation permits;
- (3) Inspection records.

(c) Village officers may destroy the following records of which they are legal custodian and which are considered obsolete, but not less than seven years after the record was effective unless another period has been set by statute, and then after such a period, or unless a shorter period has been fixed by the state public records board pursuant to s. 16.61(3)(e), Wis. Stats., and then after such a shorter period.

- (1) Old insurance policies;
- (2) Election notices;
- (3) Cancelled registration cards.

(d) Unless notice is waived by the state historical society, at least 60 days' notice shall be given the state historical society prior to the destruction of any record as provided by s. 19.21(4)(a), Wis. Stats.

(e) Any tape recordings of a governmental meeting of the village may be destroyed, erased or reused no sooner than 90 days after the minutes of the meeting have been approved and published, if the purpose of the recording was to make minutes of the meeting.
(Ord. No. 262, § 7, 12-9-1982)

Sec. 2-138. Preservation through microfilm.

Any village officer or the director of any department or division of village government may, subject to the approval of the village board, keep and preserve public records in his possession by means of microfilm or other photographic reproduction method. Such records shall meet the standards for photographic reproduction set forth in s. 16.61(7)(a) and (b), Wis. Stats., and shall be considered original records for all purposes. Such records shall be preserved along with other files of the department or division and shall be open to public inspection and copying according to the provisions of state law and of sections 2-134 through 2-136.

(Ord. No. 262, § 8, 12-9-1982)
