Sec. 40-1. Findings and Intent.

- (a) This Chapter is a regulatory measure aimed at protecting the health and safety of a Child or Children from the risk that convicted Sex Offenders may re-offend in locations close to their residences. The Governing Body finds and declares that Sex Offenders are a serious threat to public safety. When convicted Sex Offenders re-enter society, they are much more likely than any other type of offender to be re-arrested for a new sexual assault. The Governing Body further finds that, given the high rate of recidivism for Sex Offenders and that reducing opportunity and temptation is important to minimizing the risk of re-offense, there is a need to protect a Child or Children where they congregate or play in public places in addition to the protections afforded by state law near schools, and other places a Child or Children frequent. The Governing Body finds and recognizes that, in addition to schools, there are other areas where a Child or Children congregate or play.
- (b) This Chapter is not intended to impose a criminal penalty or punishment of Sex Offenders, but rather to serve the Municipality's compelling interest to promote, protect, and improve the health, safety, and welfare of a Child or Children in the Municipality by creating areas around locations where a Child or Children regularly congregate in concentrated numbers where Sex Offenders and Sexual Predators are prohibited from loitering and/or establishing temporary or permanent residence and by regulating certain activities that may be used by Sex Offenders to prey upon children.
- (c) Due to the high rate of recidivism for Sex Offenders, and because reducing both opportunity and temptation would help minimize the risk of re-offense, the Governing Body finds that there is a compelling need to protect a Child or Children where they congregate or play in public places.

- (b) Original Domicile Restriction. In addition to Section 40-3(a), but subject to the exceptions in Section 40-3(c), no Sex Offender, shall establish a permanent or temporary residence within the Municipality and no supervised release of a Sex Offender shall be established in the Municipality unless such person was domiciled in the Municipality at the time of the offense resulting in the person's most

recent conviction for committing the Sexually Violent Offense and/or crime against a Child or Children. This Section shall not apply if the Sex Offender establishes a Domicile outside of the Municipality prior to returning to the Municipality.

(c) Exceptions. A Sex Offender may not be found to be in violation of the residency restrictions in Section 40-3(a) if the Sex Offender establishes that any of the following apply:

1. The Sex Offender was domiciled in the Municipality prior to September 12, 2013, provided, however, that if the Sex Offender was then subject to Wis. Stat. Sec. 301.45, the Sex Offender must have also reported and registered the residence pursuant to Wis. Stat. Sec. 301.45 prior to such date to take advantage of the exception.

No person shall let or rent any place, structure, or part thereof, trailer or other conveyance, with the knowledge that it will be used as a Domicile or Temporary Residence by a Sex Offender contrary to the provisions of Section 40- 3 of this Ordinance.

Sec. 40-5. Prohibited Activities by Sex Offenders, Exception

- (a) Prohibited Activities by Sex Offenders. Except as provided in Subsection 40-5(b), no Sex Offender shall participate in any event in the Municipality involving a Child or Children by means of distributing candy or other items to such Child or Children. Examples of such events would include, but not limited to; Halloween, wearing a Santa Claus costume in a public place in relationship to Christmas, wearing an Easter Bunny costume in a public place in relationship to Easter, or other activities that may, under the circumstances then present, tend to entice a Child or Children to have contact with a Sex Offender.
- (b) Exception. Events in which the Sex Offender is a parent or legal guardian of the Child or Children involved are exempt from the provisions of Section 40-5(a) of this Ordinance provided that no Child or Children other than a Child or Children of the Sex Offender are present at the event, and that the Sex Offender's participation in such event complies with any restrictions set by the court or any other governing authority with legal jurisdiction, i.e. Probation, Parole, Department of Corrections, etc.

Among the circumstances which may be considered in determining whether such alarm is warranted is the fact that the person takes flight upon appearance of a law enforcement officer, refuses to identify himself or herself or manifestly endeavors to conceal himself or herself or any object. Unless flight by the person or other circumstances makes it impractical, a law enforcement officer shall prior to any arrest for an offense under this section, afford the person an opportunity to dispel any alarm which would otherwise be warranted, by requesting him or her to identify himself or herself or explain his or her presence and conduct at the aforementioned locations. No person shall be convicted of an offense under this section if the law enforcement officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the person was true, and, if believed by the law enforcement officer at the time, would have dispelled the alarm.
- (b) Exception. The prohibitions set forth in Section 40-6(a) of this Ordinance shall not apply where the Sex Offender is a minor who is with one or both of his or her parents or guardian at the time of the offense or the Sex Offender was exercising First Amendment rights produced by the United States Constitution, including freedom of speech, free exercise of religion and the right of assembly.
