Date: July 19, 2016  
Re: Lisbon Road Closure/Resurfacing

Starting on Tuesday morning, July 26, Lisbon Road between STH 67 and CTH P will be closed to through traffic. Traffic will be detoured to CTH Z (Lake Drive) for an estimated two weeks while the work is taking place. During a portion of this time, the culvert over Rosenow Creek will be replaced with no access across it. Residents who can only access their property by Lisbon Road will be allowed through the construction.

This is a joint project with the City of Oconomowoc and the Town of Oconomowoc working together to replace the culvert at Rosenow Creek and resurface the road. Personnel from both entities will be replacing the Rosenow Creek culvert and a contractor will handle the resurfacing. The cost of the resurfacing is \$221,500.00.
