- 13.04.010 Compulsory connection to sewer and water—When required.**

Whenever a sewer or water main becomes available to any building used for human habitation, the health officer shall notify the owner or his agent in writing in the manner prescribed by statute or by registered mail addressed to the last known address of the owner or his agent. (Prior code § 10.04(1))

- 13.04.020 Contents of notice.**

The notice required by this chapter shall direct the owner or his agent to connect the building to such main or mains in the manner prescribed by the health officer and to install such facilities and fixtures as may be reasonably necessary to permit passage of sewage incidental to such human habitation into the sewerage system and to furnish an adequate supply of pure water for drinking and prevent creation of a health nuisance. (Prior code § 10.04(2))

- 13.04.030 Health officer may cause connection at expense of owner.**

If the owner or his agent fails to comply with the notice of the health officer within ten days of service or mailing thereof, the health officer may cause connection to be made and

the expense thereof shall be assessed as a special tax against the property. (Prior code § 10.04(3))

- 13.04.040 Installment option.**

The owner or his agent may, within thirty (30) days after completion of the work, file a written option with the village clerk stating that he cannot pay the cost of connection in one sum and electing that such sum be levied in five equal annual installments, with interest at the rate of six percent per year from the completion of the work. (Prior code § 10.04(4))

- 13.04.050 Privies, cesspools, etc., prohibited after connection with sewer.**

After connection of any building used for human habitation to a sewer main, no privy, cesspool or waterless toilet shall be used in connection with such human habitation. (Prior code § 10.04(5))
