Shelter Update

THANK YOU

Dear Friends of the Waupun Area Animal Shelter Inc.,

Thank you to everyone who supports the Waupun Area Animal Shelter and a huge thank you to all of our devoted volunteers. In 2019 we had 30 stray dogs returned to their owners, and 7 cats returned to their owners.

Also, in 2019 we had success with 3 feral cats that came in pregnant. After the kittens were born, we kept them with their mommas but tried to handle the kittens every day. Happily all of the kittens were able to be adopted, and one of the mommas. The other 2 mommas were spayed and found homes on a horse farm.

Overall things are going well. If you have any interest in helping out please stop in or give us a call.

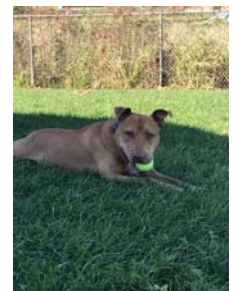

Thank you,
Waupun Area Animal Shelter

SUCCESS STORIES

We had 2 bitbulls for almost a year. Roxy was a black and white senior who was a very fun girl who was left in a home when the owners moved. Her favorite game was fetch. She would play for hours if she could. She was adopted and her family just loves to snuggle with her.

Bear was brought in by the police who took him away from his owner. He was so full of energy and very smart. Finally the right family found him and loved his “naughty” side. He now lives with his new family and they even came back and adopted one of our kittens to be a sibling for Bear. Bear loves his new 2 and 4 legged family.

ADOPTIONS IN 2019

- 34 Cats / 56 Kittens
- 11 Dogs / 1 puppies

LONG TERM RESIDENTS

Batman came to us when he was only 8 weeks old with his mother and 2 siblings back in July 2015. While the rest of his furry family were all adopted he has been with us for over 1,800 days. That is over 4 1/2 years. He is a very scared guy and being

a black cat that is a double whammy plus he needs to go with his best buddy Trenton who is also very scared unless you brush him, then he will stay with you forever. Trenton came to us in October of 2013 and has been with us for over 2,200 days.

Virginia has been with us since December 2013 at around 3 1/2 months old. She has been with us also for over 2,200 days. She is a very beautiful cat but is the kind of girl you can pet and hold or just look at depending on her royal highness mood.

Can we find any wonderful quiet homes for these fabulous cats?

BUNNIES!!!

In 2019 we took in 2 bunnies. One was a surrender and one was a stray. Theena is a long haired Angora. One of our volunteers patiently combed and cut out all of her knots and tangled hair over the course of a week.

Theena could finally walk and hop around again. This

same volunteer kept her groomed weekly. Happily Theena is now in a home with another bunny enjoying life.

Our other bunny was Hopkins. He is a Flemish Giant. He was BIG sweetheart. Hopkins is also now living in his forever home. All of us at the Shelter truly enjoyed getting to know these two bunnies.
