Presents the work of:

Laurie Crescio

watercolor artist from Randolph, WI

Upstairs in the **Waupun Fine Arts Gallery**
January 6th- February 23

A local artist from the rural Randolph area, I have enjoyed painting from a young age. I have studied painting under many professionals gaining insight and techniques from all. I love to paint florals and work from still life and my own photographs. I like to focus on light, shadow, color, composition, and negative space using a variety of techniques that enhance the surface of the watercolor paper.
