Get a raffle ticket for each strike
winners announced after each game

Food and Hoopster's Memorabilia available to purchase

Hoopster's Players will be raising pledges - so be on the look out!

Money raised at the event will be used to offset costs for Players and their Families. These expenditures can add up and become a stress factor for families. The funds will allow players to participate who may not have been able to, due to financial constraints. Also, the funds raised will be utilized to offset uniform, referee, tournament and additional club costs throughout the 2018 - 2019 season.
