# WHAT'S UP WAUPUN!

Welcome to another exciting year of recreation opportunities in Waupun! Whether you have lived in Waupun all your life or have just moved here, we hope you and your family will get involved and enjoy what Waupun has to offer. If you want to fill your day, weekend, summer or year with lots of fun, we will guide you! On the following pages you will find activities for the whole family!

Make a splash and cool off at the Waupun Family Aquatic Center. Learn to swim from YMCA of Dodge County lifeguards. There are several water attractions and large shade umbrellas. Stay for the day! Our concession stand serves up tasty food and beverages.

School's out. Now what? Join our Summer Park Program at Wilcox Park, Pine Street Park, Dodge Park, West End Park, Zoellner Park or McCune Park. Kids ages 7 and up will enjoy a variety of activities including: contests, field trips, crafts, games, sports, and more! Guess what? It's practically free! There are small charges for in town and out of town field trips.

Try one of the many youth sports programs in our community like Waupun Hoopsters, hockey, football, soccer, wrestling, golf, baseball, softball, gymnastics, and skating!!! There is a sport for everyone to watch or play at various times of the year!

Bored? Looking to start a new hobby? Garden Club, Community Craft Group, Model Yacht Club, perhaps start your own club or group? Let me know! We are happy to help!

Fifty and nifty! The Waupun Senior Center is a great place for people age 50 and over or married to someone age 50 and over to meet new people and make new friends. Join us Monday-Friday from 7:30am – 4:00pm for a variety of programs, parties, and presentations.

Check out our parks! WOW! Grab your picnic basket! Over 20 City parks/recreational areas! Swim, fish, take your dog to the dog park, listen to a concert in the park, watch your kids play on the many playgrounds throughout the city, and so much more. There are countless opportunities for good old fashioned fun!

Wildlife feeding stations, a Gift Shop, experiential, hands-on learning! Sign me up! Marsh Haven Nature Center is located at the north end of the famous Horicon Marsh, just 3 miles east of Waupun, Wisconsin on Highway 49. A non-profit, all-volunteer center featuring displays and exhibits that help depict the history and wildlife of Horicon Marsh.

There are tons of fun things to do in Waupun. Enjoy! If you would like to be included in next year's recreation guide, please let me know!

If you have any questions or comments on any of the programs, please call the contact numbers listed or stop in at the Senior Center. You're welcome to contact me with new ideas for activities or programs.

## WAUPUN 2015 Swim Lessons

The YMCA swim lessons program is based on swimming skills that will allow participants to enjoy aquatic activities throughout their lives. These include personal safety, survival and rescue skills, stroke development, water sports and games. Below, we have listed each level and the corresponding Red Cross level for easy identification. We will be testing all of the students on their first day of each session to determine appropriate class placement. Please indicate the level that most appropriately fits your child's skill level.

All swim lessons will be held at the Waupun Family Aquatic Center. Lessons may be cancelled in the event that the air temperature drops below 65 degrees, the water temperature drops below 72 degrees, or if it is lightening or thundering. We reserve the right to combine or cancel classes. All swim classes may be combined or cancelled after the first day of class if a minimum enrollment of 4 children is not met. Each class time holds a maximum number of participants. We will be accepting limited registrations for each time frame to try to stay within YMCA guidelines of 1 instructor-to-8 students maximum. Registration is on a first come, first serve basis. **Register early!**

### PRESCHOOL LEVELS

#### Perch (Pr) Ages 2 - 3

Children start moving independently through the water without a parent, as well as learn how to adjust to a class situation.

#### Pike (Pk) Ages 3 - 5

This level helps children develop safe pool behavior, adjust to the water and develop independent movement in the water. It is designed for new swimmers, teaching basic paddle stroke and kicking skills, pool safety, proper use of instructional flotation devices and comfort holding their face in the water while blowing bubbles and swimming.

#### Eel (El) Ages 3 - 5

This advanced beginner level that reinforces Pike skills, for children who are comfortable in the water. Children are taught to kick, float and perform basic paddle strokes. Children can swim 10 yards with the flotation device and 5 feet without by the end of this level.

#### Ray (Ry) Ages 3 - 5

At this level children review previous skills, learn more personal safety and rescue skills, build endurance by swimming on their front and back and learn to tread water. Children can swim across the pool on their front and back without assistance by the end of this level.

#### Starfish (Sf) Ages 3 - 5

Children at this level review previously learned skills and refine their strokes, as well as their personal safety, rescue and floating skills. Children can swim one length of the pool on both front and back.

### YOUTH LEVELS

#### Polliwog (Pl) Ages 6+

This is the beginner level for school age children. It gets children acquainted with the pool, the use of flotation devices, floating and basic swim strokes. By the end of this level they will know front, side and back stroke and will swim one length of the pool without assistance.

#### Guppy (Gp) Ages 6+

Children continue to practice and build upon basic skills, now performing skills without a flotation device. They are introduced to lead-up strokes to the front crawl and back crawl.

#### Minnow (Mn) Ages 6+

This is the initial intermediate level. Children further refine the lead-up strokes they have learned as their strokes become more like those normally used in swimming. They will continue to learn personal safety skills.

#### Fish (F) Ages 6+

At this point, children work to perform the crawl stroke, elementary backstroke, back crawl and breaststroke with turns. They will continue to learn additional swimming movements and personal safety.

#### Flying Fish (Ff) Ages 6+

At this advanced level, children work to perform the sidestroke and butterfly, refining previously learned strokes and increasing endurance.

#### Shark (Shk) Ages 6+

The children at this level continue to improve their strokes with starts and turns and are introduced to the inverted breaststroke, the trudgeon crawl and the over arm sidestroke. Opportunities are provided for the work on synchronized swimming, rescue skills and competitive swimming.

#### Porpoise (Porp) Ages 6+

At this final level children are exposed to a wide range of aquatic experiences. In class these advanced swimmers learn new strokes and rescue skills as well as develop leadership skills.
