**Date**
The YMCA swim lessons program is based on swimming skills that will allow participants to enjoy aquatic activities throughout their lives. These include personal safety, survival and rescue skills, stroke development, water sports and games. Below, we have listed each level. We will be testing all of the students on their first day of each session to determine appropriate class placement. Please indicate the level that most appropriately fits your child’s skill level.

All swim lessons will be held at the Waupun Family Aquatic Center. Lessons may be cancelled in the event that the air temperature drops below 65 degrees, the water temperature drops below 72 degrees, or if it is lightening or thundering. We reserve the right to combine or cancel classes. All swim classes may be combined or cancelled after the first day of class if a minimum enrollment of 4 children is not met. Each class time holds a maximum number of participants. We will be accepting limited registrations for each time frame to try to stay within YMCA guidelines of 1 instructor-to-8 students maximum. Registration is on a first come, first serve basis. Register early!

**PRESCHOOL LEVELS**

**Perch (Pr)** Ages 2 - 3  
Children start moving independently through the water without a parent, as well as learn how to adjust to a class situation.

**Pike (Pk)** Ages 3 – 5  
This level helps children develop safe pool behavior, adjust to the water and develop independent movement in the water. It is designed for new swimmers, teaching basic paddle stroke and kicking skills, pool safety, proper use of instructional flotation devices and comfort holding their face in the water while blowing bubbles and swimming.

**Eel (El)** Ages 3 – 5  
This advanced beginner level that reinforces Pike skills, for children who are comfortable in the water. Children are taught to kick, float and perform basic paddle strokes. Children can swim 10 yards with the flotation device and 5 feet without by the end of this level.

**Ray (Ry)** Ages 3 - 5  
At this level children review previous skills, learn more personal safety and rescue skills, build endurance by swimming on their front and back and learn to tread water. Children can swim across the pool on their front and back without assistance by the end of this level.

**Starfish (Sf)** Ages 3 – 5  
Children at this level review previously learned skills and refine their strokes, as well as their personal safety, rescue and floating skills. Children can swim one length of the pool on both front and back.

**YOUTH LEVELS**

**Polliwog (Pl)** Ages 6+  
This is the beginner level for school age children. It gets children acquainted with the pool, the use of flotation devices, floating and basic swim strokes. By the end of this level they will know front, side and back stroke and will swim one length of the pool without assistance.

**Guppy (Gp)** Ages 6+  
Children continue to practice and build upon basic skills, now performing skills without a flotation device. They are introduced to lead-up strokes to the front crawl and back crawl.

**Minnow (Mn)** Ages 6+  
This is the initial intermediate level. Children further refine the lead-up strokes they have learned as their strokes become more like those normally used in swimming. They will continue to learn personal safety skills.

**Fish (F)** Ages 6+  
At this point, children work to perform the crawl stroke, elementary backstroke, back crawl and breaststroke with turns. They will continue to learn additional swimming movements and personal safety.

**Flying Fish (Ff)** Ages 6+  
At this advanced level, children work to perform the sidestroke and butterfly, refining previously learned strokes and increasing endurance.

**Shark (Shk)** Ages 6+  
The children at this level continue to improve their strokes with starts and turns and are introduced to the inverted breaststroke, the trudgeon crawl and the over arm sidestroke. Opportunities are provided for the work on synchronized swimming, rescue skills and competitive swimming.

**Porpoise (Porp)** Ages 6+  
At this final level children are exposed to a wide range of aquatic experiences. In class these advanced swimmers learn new strokes and rescue skills as well as develop leadership skills.
