Dedicated to Succeeding Generations

The Waukesha County Conservation Alliance (WCCA) will be hosting its Annual Banquet and Fundraiser on Friday, February 6, 2026, at Delafield Brewhouse.

The Waukesha County Conservation Alliance was formed to act as the voice of the Sporting Clubs from Waukesha County and surrounding area, in presenting their views to various levels of the government and to the interested public at large. The WCCA is composed of delegates from these Member Clubs.

The fundraiser is to benefit the many worthy causes in Waukesha County and surrounding areas that the WCCA sponsors:

- Kids Fishing Clinics
- Youth Day at Ojibwa Bowhunters
- Vernon Marsh & Big Muskego Lake Restoration
- Supports DNR in providing public lake access.
- Provides Scholarship funds to UWSP Conservation students from Waukesha County
- Provides maintenance funds to Alliance Members

In order to ensure the success of this important fundraiser, we are inviting you to attend the WCCA's Annual Banquet on Friday February 6 to be held at the Delafield Brewhaus.

Although a portion of the cost will be used to offset the expenses of this event, we can assure you the majority of the proceeds will go directly to help sponsor our programs.

Please note: If you are part of a club or group of friends looking to take advantage of our group rates, enter everyone's name on one order form. This will insure you will be seated together at a table of 10. If possible, all other seating requests will be accommodated.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Bob Wincek, President
