

Waukesha County Conservation Alliance Grant Application

The Waukesha County Conservation Alliance (WCCA) grant program aims to assist organizations to create and/or operate programs, projects, events, & other activities that involve, but are not limited to:

- natural resource conservation
- wildlife & habitat management
- outdoor skills & safety education
- access to public lands and waters

Preference may be given to programs, projects, events, & activities in Waukesha county and surrounding areas as well as to 501c3 or other non-profit organizations. Grant applications will be considered as they are received, however, we encourage you to submit applications early in the calendar year.

All information is required for applications to be considered.
