

Chris Utegg

Hi, Chris Utegg is my name. My husband Greg, teenage daughter, Alyson and I live on a few acres outside Grand Ridge, Illinois. I love the opportunity to be a part of the World Expo Board. Being involved in the cattle industry most of my life, through 4-H as an exhibitor, member of our county beef committee, currently being superintendent of 2 county fairs and my daughter raising and exhibiting shorthorn cattle, I feel I have a lot to offer in making The World Beef Expo the best it can possibly be. I'm a firm believer in kids and cattle and the connections shows, as the World Beef Expo, can make for them.
